September Start

When dropping off and picking up your children please wait by the Carn Brea classroom (the hut around the back of the school) Please hold your child's hand until they are called into class by a Penponds member of staff. We will practice lining up and aim to line up and walk into class by the end of the first week.

You are welcome to come in and help settle your child if they need you to, but we try to encourage as much independence as possible, so please only do so if you feel they really need it.

We will of course do our best to help your child settle as happily as possible into school life. Please let us know if you or your child need any help with this.
