Our Musical Genres Calendar

We listen to different styles, genres, origins, artists, historical periods and so on throughout the year with the help of our **musical calendar**.

Our **musical calendar** makes sure that we hear and experience music and musical styles and artists that we may not otherwise have the opportunity to hear.

We have 39 genres of music to listen to! We know there are a lot more, but we couldn't possibly do them all!

We have 190 days in school every year so we have 190 songs!

There are 190 **different** artists/musicians/bands with no repetitions to make sure we listen to as much variety as possible.

Happy Listening!
